

SAT and ACT TEST DATES

The following are the test dates for the SAT and ACT standardized tests. All juniors are required to take the SAT in the spring. It is recommended that you take these tests at least twice since colleges will accept the highest scores for each section no matter when they are taken.

There are some colleges which also require the SAT II subject tests. Check the website for the required tests for each college to which you are applying. When registering for any of the standardized tests it is important to list the Paul VI School code which is **310473**. This is important so that the scores will appear on your transcript. However there are some colleges which require that the scores be sent directly from the testing center. This can be done when you register.

To register for the SAT I or SAT II go to www.collegeboard.com . To register for the ACT go to www.actstudent.org.
